Thank you from Laura Pearsall & Gordon Taylor

Thank you to everyone who supported us in the City Council election on 5th May for the new Abbeymead ward. We are pleased to announce that we have both been re-elected as your local Councillors and look forward to representing you on Gloucester City Council for the next four years.

Laura said, "Thank you so much to all of the Abbeymead residents who voted for me in this year's City Council elections. I am delighted to have been re-elected to represent the Abbeymead ward, an area I have grown up in and care passionately about. I look forward to continuing to represent the views of Abbeymead residents in the Council Chamber and working to resolve local issues alongside Cllr Gordon Taylor.

Gordon said, "I'm so pleased that we have been chosen by Abbeymead. Gloucester trusted the Conservatives over the last ten years to deliver for our city and I'm pleased we now have a strong mandate to get on and do it again for the next four years. We will do our best to represent you and keep Gloucester on the up."

Remember that we are here for you all year round, so please do get in touch if you wish to raise a matter or concern with us.

Best wishes,

Cllr Laura Pearsall

Cllr Gordon Taylor

Ridge & Furrow

Richard Graham, our MP has been very involved in the Ridge and Furrow campaign, and in the last few weeks he has been successful in talks with Morrisons to get them to confirm that they now have no plans to try and re-submit a new planning application for the petrol filling station.

Richard has also been in consultation with the community as to what they would like to see here. Some suggestions include the possibility of a nursery, or a family pub with a nursery which has worked in other locations and the site is suitably large enough for something like this.

Morrisons is not selling the site, so there is no opportunity at the moment for a community buy-out. Trust Inns remains the lessee, which means dealing with them. The next stage is: 1. Seeing who might be interested in establishing a business there, 2. Hearing what residents would most value, 3. Discussing with Trust Inns their plans and interest in the site. Richard is keen to hear your views on this. For more information, please see the article posted on our AbbeyViews website on 28th April 2016.

Updates from your Conservative Abbeymead Team

Road Closure on Upton Lane

Upton Lane will be closed from 30th June until 10th July for carriageway resurfacing works, which will be carried out. If you have any queries, please do contact us using the contact details overleaf.

The diversion will be to head northwest on Upton Lane towards Abbeymead Avenue. Turn left onto Abbeymead Avenue, at the roundabout take the 1st exit onto Wheatway, turn left onto The Wheatridge East and Continue onto The Ash Path. Turn left onto Churchfield Road and vice-versa.

Polling Cards

We have been made aware that a number of residents did not received their polling cards prior to the election held on 5th May.

If you were affected by this and did not receive your polling card, please let us know by email copying in the Senior Electoral Services Officer at the City Council at: Kirsty.cox@gloucester.gov.uk, and we will follow this up.

New Dog Bins to be Installed in Abbeymead

Following a number of residents contacting us regarding the lack of dog bins in certain areas of Abbeymead, we have managed to secure two new dog bins which will be installed as soon as possible. One will be located between Roman Road and Mead Road, as there currently isn't one in this vicinity and the other on the footpath connecting Lobleys Drive and Bay Tree Road.

Thank you to those residents who took the time to raise this matter with us, as this will benefit all residents who walk their dogs' in this area of Abbeymead and will help to keep the area tidy.

Keeping in Touch With our Local Residents

Laura and Gordon regularly keep in touch with each other at the Turmut-Hoer, if you ever want to come and see us about anything then come on down. We let people know when we are going down via our Facebook pages and Twitter feeds. Alternatively, please do contact us using the contact details overleaf.
